

Part I

I am – Creator – The Father

GOD

AAAAAA ... (*music*)
Uuuuuu ...
Oooooo ...

I AM

...
...
...
...

I AM

...
...

I AM

in heaven
and on earth.

LET THERE BE LIGHT ...

Let stars be spread in every sight,
and let the sun be shining bright.
Let chaos darkness vanish.
Let there be light.

LET THERE BE TIME ...

Give sun and moon their switching light,
to warm the day and guard the night.
Let years be born unbounded.
Let there be time.

LET THERE BE LIFE

Let life, abundant, fill the see,
the earth bring forth its plants to be,
may trees and meadows flourish.
A world of creatures, flying wings

Angels

In heaven, oh, in heaven ...
Holy, holy, holy.
Holy, holy, holy.
Holy, holy, holy.
Almighty.

You are, you are, you are
for evermore, you are
the Word.

In heaven, oh, in heaven ...
Holy, holy, holy
Holy, holy, holy
Holy, holy, holy
Are light, are life
in heaven
and on earth.

Let stars ...

Give sun ...

(*The choir increases*)
Let life ...

where children grow, the bird that sings
to share, to love and cherish.

Angels:

Holy, holy, holy
Holy, holy, holy
Holy, holy, holy

In promise of salvation.

Recitation eng/lat:

"I believe in ...

...

... invisible."

Creator of the heavens,
the earth and all we see,
your Word of life and wisdom
makes everything to be.

Part II

THE WORD – Only Begotten Son - Saviour

St John, Mary, GOD

Aaaa ... (*music*)

The words come to me,
the strongest, most precious, tender,
oh, let me tell the unspeakable,
describe the invisible
when still, the world is darkened.
If only I could
express the sacred untouchable
WORD

born before all time,
until the day had come.
The Word
which is God, is life, is light
was incarnated on earth.

Not created.
The virgin shall bear a son.

I am the virgin,
who believed the impossible,
was filled
with Holy Spirit ...

... bore him,
gave him birth,
...
wrapped him in cloths, placed him in a manger.
The Saviour of the world
was named like a man,
Jesus Christ

CHOIR

Recitation eng/lat:

"I believe in ...

...

... became man."

Had come? For what?

How could it be?
How can Omnipotence be
caught in time?
How can the Creator be created?
Who can believe such things?

Oh, blessed Mary ...
filled with Holy Spirit
Holy, holy, Spirit,
Holy, holy, holy

Oh, Virgin Mary.

So tender on the earth!
So pitiful, defenceless!
Behold, the swords of the soldiers!
The power of the warriors!
How they gather in fury!
See, the power of darkness

See, how small he is,
protected by angels.
The Light in our darkness.
Such a God
I can believe,
God with us.

We saw and believed,
as he had grown up,
we saw his signs.

The signs are so much more!
Who he is,
the Word
that was to come
the light of life,
with grace and truth,
the bread from heaven,
the good shepherd.
How can I explain
such love?
Oh, Lamb of God.

Oh, Lamb of God/Oh, Lamb of God
Oh, Holy One/oh, Holy One ...
Oh, Lamb of God/Oh, Lamb of God

How can we explain/How can etc ...
such love?
Oh, Lamb of God,
who takes away our sins,
Oh, Lamb of God.
oooo ...
All is finished.

as it wells up
from a bottomless depth.
See, how small he is!
What can he do?
Who can believe
such a God?

Yes, signs and wonders,
spectacular miracles
showing his power,
oh, let us see!
let us see, and we will believe!

Hosanna!

Hosanna!
Hosanna!

Crucified under Pontius Pilate.

If he is God,
why doesn't he come down
from the cross?
If he is God,
why can no one save him?
If he is God,
how can he die?

Suffering.

Our sins.

Dead.

(deadly silence)

If he could feel
how we caressed his body,
if it wasn't so numb
as we wasted our tears
and fragrant oils,
our spikenard and precious spices,
if the fragrance could follow
one breeze into his nostrils,
if he wasn't so ...
extinguished, so ...

Dead.

Buried.

The heavily sealed tomb.

Descended ...
Descended ...
Descended ...
to the dead,
the abode of shadows.
The living are no more,
a blind alley,
like a gate without keys,
slammed to shut.
No one knows it's bottomless depth
except for the one who is
descended.

aaaaa ... *(music)*

aaaAA ...

AAAAAA ...

Uuuuuu ...

Oooooo ...

I AM ...

J/M: You are
in heaven and on earth
life and death
You are
the Word

Who was,
who is

Whispering:

On the third day ...

... the third day.

Risen from the dead!
Hallelujah!
Hallelujah! *(can be repeated)*

Almighty
The keys are in his hands.
Life and death,
you are
The Son of Man.

Ascended into heaven.

and is to come.

We saw him/We saw him,
touched the living, pulsating
warm skin.

We heard his voice,
the long awaited eternal Word.

"Peace" he said.

Peace be with you.

Peace/peace.

Who can distinguish good from evil?
Who can distinguish lies from truth?
Who can give justice to the condemned?
Who can forgive,
when all that was hidden is shown?

J/M:

How can we explain?

Such a God,

we can believe.

At the right hand of the Father

Peace.

Will come again
in glory
for ever.

Recitation eng/lat:

"For our sake ...

... no end."

You are the gentle shepherd,
oh, Lamb of God, we pray,
deliver us from evil,
our sins you take away.

You are the bread from heaven,
the blessing from above,
to give us life, eternal,
abiding in your love.

Part III "The SPIRIT – the church - credo"

GOD

COME ... COME ... COME ...
Come ... Come ... Come ...
come-come, come-come, come-come ...

J/M: Flames from heaven
Came into our prayers
Came into our singing

Oh, Holy Spirit
You are ...
God ...
...
in us.

You are the Comforter,
the Healer,
the burning flame of truth,
strength to the weakened,
the water of baptism
light,

CHOIRE, ANGELS

Recitation eng/lat:
"I believe in the Holy Spirit ...
... prophets."

Come, all you who are thirsty!
Come to drink!
The well is overflowing,
rivers of living water.
Come, all you who are hungry!
Come to eat!
The fruit is abundant on the trees,
the fields are ripe for harvest,
the bread fresh from the oven.
Come, where the well has its vein,
water turns into wine,
to the living bread.

Flames from heaven,
in the prayers of the apostles,
the song of Mary (or Magnificat).
So, the church is born,
the split can be healed,
courage get voice and words,
all our fading flames
flare up again,
our praises ascend, so pure
like when they were sung the first time,
the gentle whisper
of the first, untouched dawn.
God ... is ... here.

You are
with the Father and the Son,
adored and glorified,
holy, holy, holy,
in us.

As on the apostles,
to your Church
holy, catholic,
the forgiveness of sins,

life ...
Peace.

Together ->

(music)
Aaaa ...

the resurrection of the dead.
peace

Greatest of all,
the Love that in the Beginning
created heaven and earth,
completes everything,
to be All in all
for ever.

Recitation, several languages:
"I believe in one ...
... world to come."

Amen (*sung*).

Oh, holy God, so holy,
unsearchable in might,
and still your love is endless
to bring to us, your light.

Oh, Father, Son and Spirit,
your breeze through space and time,
makes ending a beginning
to sing your sacred rhyme.

The song that never ceases,
you gave its tone and birth,
eternal is your glory
in heaven and on earth.
